

REISSUE APPLICATION DECLARATION BY THE INVENTOR	Docket No. 51278/RAH/C1015
--	-----------------------------------

Name of Patentee(s) : Dong Tack Suh
 Original Patent Number : 6,575,656 B2
 Original Patent Issue Date : June 10, 2003
 Title of Invention : PULL PIN ASSEMBLY FOR CANOPY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name. I believe I am the original, first and sole inventor of the subject matter which is described and claimed in patent number 6,575,656 B2, granted June 10, 2003, and for which a reissue patent is sought on the invention entitled PULL PIN ASSEMBLY FOR CANOPY, the specification of which

 X is attached hereto.

 was filed on filing date as reissue application number and was amended on if applicable.

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below.

- 1) By reason of a defective specification; and
- 2) By reason of the patentee claiming less than he had a right to claim in the patent.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The specification contains several sentences that inaccurately state: "biasing the pull pin toward the second position to relatively lock the first rod or pole" The drawings and other portions of the specification make clear that these sentences should state: "biasing the pull pin toward the first position to relatively lock the first rod or pole"

REISSUE APPLICATION DECLARATION BY THE INVENTOR	Docket No. 51278/RAH/C1015
--	-----------------------------------

Claims 1 and 13 contain unintended claim language regarding: "biasing the pull pin toward the second position to relatively lock the first rod or pole" The intended language was: "biasing the pull pin toward the first position to relatively lock the first rod or pole"

This reissue is a broadening reissue. Claims 1 and 13 claim less than the patentee had a right to claim. New claims 15 - 38 have been added to provide claims without one or more of the limitations of claims 1 or 13 including, for example, that the "pull pin body" is "integral with the main body" and "extending radially outward from the central hollow.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application, any patent issued thereon, or any patent to which this declaration is directed.

Commissioner:

I, Stephen Burbach, hereby declare:

1. I am an attorney with Christie, Parker & Hale, LLP, counsel of record for the above-referenced Reissue Application.

2. This Declaration is being filed in support of the accompanying Petition Under 37 CFR 1.47(b) and MPEP 409.03 for the above-referenced Reissue Application.

3. On or about January 2, 2003, I received from Lindy Park, President of Caravan Canopy International, Inc., the last known residence address she had of record for Dong Tack Suh (hereafter referred to as "Mr. Suh"), the inventor of U.S. Patent No. 6,575,656.

4. On or about January 9, 2004, I caused a copy of Reissue Application papers for U.S. Patent No. 6,575,656 to be sent to Mr. Suh via FedEx. A copy of the January 9, 2004 letter is attached hereto as Exhibit 1.

5. The FedEx package referred to in Paragraph 4 above was returned as undeliverable on or about January, 2004. Attached hereto as Exhibit 2 is a copy of a letter my secretary, Celeste Healion, received from FedEx on or about January 22, 2004 in response to her inquiry as to why the package was undeliverable.

6. On or about February 3, 2004 Lindy Park confirmed that Mr. Suh's last known residence address was as listed in the January 9, 2004 letter referred to in Paragraph 4 above, specifically verifying that the address specifies building number 604 and apartment number 702.

7. On or about February 3, 2004 I received from Lindy Park the last known business address, facsimile number and cell phone number she had of record for Mr. Suh.

8. On or about February 6, 2004, I caused copies of Reissue Application papers for U.S. Patent No. 6,575,656 to be sent to Mr. Suh via DHL at the last known residence address and the last known business address referred to in Paragraphs 6 and 7 above. Copies of these letters are attached hereto as Exhibit 3.

9. I did not receive any reply from Mr. Suh in response to the letters referred to in Paragraph 8 above.

10. On or about March 12, 2004, I telephoned Mr. Suh at the cell phone number referred to in Paragraph 7 above. The gentleman who answered the phone indicated that he was Dong Tack Suh. Mr. Suh stated that he was uncertain as to whether he received the letters referred to in Paragraph 8 above. I asked Mr. Suh for a facsimile number so I may fax the Reissue Application papers to him. I also informed Mr. Suh that we needed him to sign the Reissue Declaration to file the Reissue Application papers. Mr. Suh gave me a facsimile number that was the same as the facsimile number referred to in Paragraph 7

above. Mr. Suh stated that he would call me on Monday regarding the papers.

11. On or about March 12, 2004 I caused the letter and Reissue Application papers attached hereto as Exhibit 5 to be faxed to Mr. Suh at the facsimile number referred to above in Paragraph 10. On or about March 13, 2004, I received a facsimile confirmation that these papers were successfully sent to this facsimile number.

12. I did not receive a telephone call from Mr. Suh on March 15, 2003.

13. On or about March 16, 2004 I called Mr. Suh at the cell phone number referred to above. Mr. Suh stated that he did not believe he needed to sign the Declaration. I again explained to Mr. Suh that we needed him to sign the Reissue Declaration to file the Reissue Application. I reminded Mr. Suh that he had assigned the underlying application to Caravan Canopy. I asked Mr. Suh whether he was refusing to sign the Reissue Declaration. Mr. Suh would not answer the question. Mr. Suh then stated that he would prefer to talk to Lindy Park regarding this matter since she spoke Korean.

14. On or about March 16, 2004 I asked Jun-Young Jeon, an attorney for Christie, Parker & Hale who is fluent in Korean, to call Mr. Suh on my behalf. Mr. Jeon informed me that Mr. Suh stated to him that he would not sign the Declaration.

15. As of the date of this Declaration, I have not received an executed Reissue Declaration from Mr. Suh in connection with this Reissue Application.

16. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or

imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application, any patent issued thereon, or any patent to which this declaration is directed.

Commissioner:

I, Lindy Park, hereby declare:

1. I am the President of Caravan Canopy International, Inc. (hereafter referred to as "Caravan Canopy").
2. This Declaration is being filed in support of the accompanying Petition Under 37 CFR 1.47(b) and MPEP 409.03 for the above-referenced Reissue Application.
3. On or about September 12, 2001, Dong Tack Suh (hereafter referred to as "Mr. Suh"), the inventor of U.S. Patent No. 6,575,656, assigned his rights in the underlying application and any U.S. patent that issued from that application to Caravan Canopy.

5. I understand that Caravan Canopy's counsel, Stephen Burbach, has repeatedly and unsuccessfully attempted to have Mr. Suh execute a Reissue Declaration for the above-referenced Reissue Application.

As a result, Caravan Canopy is required to file the accompanying Petition before the two year period elapses to prevent losing its right to a broadening reissue of U.S. Patent No. 6,575,656.
